

2024 ORGANIZATIONAL PROJECT GRANT GUIDELINES & GENERAL INFORMATION

PROGRAM OVERVIEW

The Horizons Grants Program is funded by a group of private individuals and businesses that provide grant dollars for the development of the cultural life in our community. The Horizons Organizational Project Grants category was established by the Salina Arts & Humanities in 1985. All Horizons grant programs are administered by Arts & Humanities staff and funded through the Salina Arts & Humanities Foundation. This 501(c)3 board operates separately from the Commission and gives final approval to staff-recommended grant requests. They also determine the annual budget for Horizons based on annual contributions and fund balances.

Expected Program Outcomes:

1. Demonstrate a commitment to artistic excellence and community involvement
2. Support innovative projects that engage patrons and audience members as active participants
3. Encourage the development of strategic partnerships within the community to strengthen the reach of their activities

ELIGIBLE APPLICANTS

Any nonprofit organization or local governmental unit in Saline County may apply. Nonprofit organizations must be incorporated and be recognized as tax-exempt by the Internal Revenue Service. All applicants must agree to abide by federal and state laws regarding civil rights, access for people with disabilities, and other non-discriminatory provisions.

Though applications may only be submitted by nonprofit organizations and local governmental units, SAH encourages unincorporated groups to develop projects for funding. These groups should attempt to locate at least one eligible partner willing to apply on their behalf and serve as a fiscal agent for the grant funds. Groups seeking the services of a suitable fiscal agent are encouraged to notify the SAH department staff for assistance in the process.

APPLICATION CYCLE

Applications open May 1, 2023, and are due November 1, 2023, for projects which take place during the 2024 Grant Cycle (February 1 – November 30).

To be eligible for consideration.

- Intent to apply must be received by Anna Pauscher Morawitz four (4) weeks prior to the deadline for returning applicants (by October 4, 2023) and six (6) weeks before the deadline for first-time applicants (by September 20, 2023).
- Applications must be submitted online by 11:59 pm on November 1, 2023.

PROGRAM GUIDELINES

In order to make appropriate use of limited funds, Salina Arts & Humanities has developed the following guidelines for the Horizons Organizational Project Grants category: **Please note: applicants must schedule an appointment with SAH staff to review the proposed project before writing and submission.**

1. Grants are for projects only and may not be used for general operating support.
2. Up to 20% of the project costs may be allocated for administrative expenses. In cases where a fiscal agent is used by an unincorporated organization, a fee appropriate to services (typically no more than 7-10%) may be allocated from the 20% of administrative costs.
3. Grants are awarded on a one-to-one (1:1) matching basis. Applicant organizations may apply for up to \$6,000. Applications that show diversified matching funds from various community sources will be given preference. SAH encourages applicants to charge reasonable admission fees or identify other sources of earned income where appropriate. Grant dollars are provided for underwriting the applicant's stated purpose and are awarded for a period not to exceed one grant cycle.
4. Projects may be for cultural programming (such as concerts and exhibitions), educational and professional artist visits, commissioning of new work, festival activities, or various other cultural projects that will build community and change lives.

This program will also support applications for organizational, technical assistance, or capacity-building projects designed to strengthen existing organizations, especially when such projects utilize the expertise of recognized professionals. Applicants must describe how these projects will strengthen their programming, further their mission, and benefit the community at large.

5. In general, Horizons Project funds may **NOT** be used for:
 - purchase of capital items such as existing works of art, instruments, office equipment, or real property
 - extensive travel
 - tuition or scholarships to obtain an undergraduate or graduate degree
 - projects which are already completed or will be completed outside the grant cycle
 - elimination of an accumulated deficit
 - fundraisers
6. Organizations may submit up to two grant applications with a maximum total request of \$6,000. However, the Horizons Project grant process will take into account an organization's total annual funding level when determining a fair and equitable distribution of limited funds. In cases where an organization is serving as a fiscal agent for an unincorporated organization, the funding received for the fiscal agent project will not be counted as part of the annual total grant award.
7. The Horizons Project grant strongly encourages applications that are collaborative in nature. This collaboration can be between the applicant and artists, other cultural organizations, social service, and community-based organizations. Details of the collaboration must be clearly explained, and the collaboration must be authentic, with the goals and responsibilities of each contributing partner clearly defined.

FUNDING PROCEDURES

1. The staff of the Salina Arts and Humanities provides assistance and advice to applicants but does not adjudicate the applications.

Applications will be reviewed and scored, according to the criteria, by a panel that includes representatives from various art disciplines and organizations from outside Salina. Panelists are instructed to score on the content of the grant application only, not on any prior knowledge of the applicant. The panel recommendations will be presented to the Salina Arts & Humanities Foundation for final approval, with notification shortly thereafter.

2. Final funding recommendations will be made by formula. Three types of decisions may be made:
 - A. Applicant receives funding amount requested;
 - B. Applicant receives less funding than requested; or
 - C. Applicant receives no funding.

If the award is funded in an amount less than requested by the applicant, the organization must submit a revised project plan and revised budget if the funds are not adequate to cover the original project as described in the application. The revised project plan and/or revised budget must be received before grant funds will be dispersed.

3. Applicants will be informed of funding decisions by letter during the last week of January.
4. **Final Reports must be submitted online at www.salinaarts.com.** Final Report requirements include project documentation and evidence of outcomes achieved. Documentation must include photographs for use by SAH; jpeg format, 300 dpi.
5. If funding is awarded, a check for 90% of the grant amount will be sent to the Grantee upon receipt of a signed agreement but no sooner than 30 days before the project starting date. A Final Report form will be due 30 days after the project completion date or no later than December 15, 2024. Upon receipt of an approved Final Report, the balance of the grant dollars will be mailed.

NOTE: if the Final Report has not been received within 30 days of the project completion date, the balance of the grant dollars shall be forfeited.

6. If an applicant believes a funding decision was based on erroneous or inadequate information, a written request for a formal appeal concerning the application in question may be submitted within 30 days from the date of the funding decision letter. Only the applicant may appeal. Upon reviewing the material, the Foundation may
 - A. Deny the request;
 - B. Invite the applicant to a formal hearing; or
 - C. Amend the grant decision.

Fiscal Agent

1. Unincorporated groups not recognized as tax-exempt by the Internal Revenue Service must locate an eligible partnering agency to serve as fiscal agent. This partnering agency must be included in the application. Contact SAH staff with questions or if you need help finding an eligible agency.

Other Grant Opportunities

Applications for Horizons Enrichment Grants of \$500 to \$1,000 may be submitted anytime between February 1 – November 30; however, the application must be postmarked at least four (4) weeks before the starting date of the activity (6 weeks for first-time applicants). These are limited in number and are especially appropriate for first-time organization applicants who have an unexpected opportunity to enrich the organization and the community. There is no required match for these funds. Organizations applying for a Horizons Enrichment Grant may apply for an Organizational Project grant in the same year. However, Enrichment Grant Awardees will skip a year before reapplying for a second enrichment grant.
